Pacific Dental Services teamed up to "Give Kids A Smile"

~ Pacific Dental Services® (PDS®) teamed up with multiple non-profit Organizations to provide FREE dentistry to local children in need throughout communities in CA and AZ ~

~ In Celebration of the American Dental Association's (ADA®) "Give Kids a Smile®" PDS serves children on February 2nd ~

Irvine, CA (February 2, 2007) – On Friday, February 2, 2007 46 Pacific Dental Services (PDS) affiliated offices provided a day of free dentistry to over 500 children in need. PDS teamed up with over 46 organizations, including school districts, local churches, and shelters to provide free dentistry in communities throughout CA and AZ to help needy children with poor or neglected oral health. Some of the organizations included the Boys and Girls Club, YMCA and the Salvation Army. Major vendor partners, Henry Schein and Smart Practice, joined PDS by donating materials such as stickers, hygiene essentials, educational pamphlets, and more for all of the participants.

PDS is excited to team up with the American Dental Association (ADA) for "Give Kids a Smile." "Give Kids a Smile" is held annually on the first Friday of February. 46 offices performed dental exams, digital x-rays, cleanings, fillings, sealants, and extractions for children in need of dental work.

PDS is a company truly committed to "serving" and giving back to the communities in which they operate. Their goal isn't just to serve their dental patients, but to serve in all areas where they can make a difference. Pacific Dental Services considered this day just another way to give back.
