Pacific Dental Services Teams Up with Marine Toys for Tots

~ Pacific Dental Services (PDS) and its 119 affiliated offices team up with Marine Toys for Tots to collect donations and toys ~

Irvine, CA (December 11, 2006) – Throughout the month of December, Pacific Dental Services and its affiliated offices are part of the Marine Toys for Tots program. Each of the 119 offices will be a collection site for monetary donations and over 30 will be official toy drop locations as well. Their cumulative contribution guarantee is a minimum of $25,000.

PDS is excited to be a part of the process to give needy children a brighter holiday season. Each year during the months of October, November and December the Marines Toys for Tots program collects new, unwrapped toys to distribute as Christmas gifts to children in the local communities in which they are collected. In providing these children with a new toy, the purpose is to also provide them with hope for the future to become successful individuals. Moreover, all monetary donations are used to further this cause each year.

PDS is a company truly committed to "serving" and giving back to the communities in which they operate. The goal of all their affiliated offices and dentists is not only to serve their dental patients, but also to serve in all areas where they can make a difference. Pacific Dental Services considers participating in Marine Toys for Tots as just another way to give back.
