Dr. Brian Buehler Appointed as Clinical Research Advisor at Pacific Dental Services!

**~ Pacific Dental Services® (PDS®) appoints Dr. Brian Buehler ~
~ Dr. Brian Buehler will also assist with Sirona ~**

Irvine, CA (January 21, 2009) – On Wednesday, January 21, 2009 Pacific Dental Services appointed Dr. Brian Buehler to the position of Clinical Research Advisor at the PDS national headquarters in Irvine, CA. Dr. Buehler has been practicing dentistry for over 20 years and is affiliated with PDS in multiple dental practices throughout California and Arizona. His main office is located in Laguna Beach, CA. Consistent with the strong relationship between Pacific Dental Services and Sirona Dental Systems, Dr. Brian Buehler will work with Sirona in the capacity of Clinical Advisor for their organization as well.

The appointment of Dr. Buehler furthers the PDS mission to be the “provider of choice” with a continual focus on research and development. It’s also another step in the partnership between PDS and Sirona. Together, they’re demonstrating that CEREC works very effectively in group practice. Dr. Buehler will promote CEREC through demonstrations to other group practices.

“With PDS, I’m afforded an incredible opportunity to utilize the best technologies in the dental industry. This new position allows me to further unique relationships with partner companies to ultimately raise the level of patient care provided at PDS affiliated offices.” explained Dr. Brian Buehler. “I’m especially excited about our relationship with Sirona to continually develop CAD/CAM technologies.”

Pacific Dental Services is the leader in assisting dental practices for the Western Region of the United States. Since 1994, PDS has helped develop nearly 200 dental offices throughout Arizona, California, Colorado, Nevada, and Texas. Today, PDS has more than 3,000 employees and over 350 affiliated dentists. Each of the PDS employees and affiliated dentists are vital to creating the Greatest Dental Company in America! For more information please visit www.PacificDentalServices.com.
