***Pacific Dental Services is recognized on the Inc 5000  
List of America's Fastest Growing Companies***

*~ Dental Practice Services Company, Pacific Dental Services (PDS), joins the prestigious  
Inc. 5000 list of Americas Fastest Growing Companies ~*

Irvine, CA (October 19, 2007) – Pacific Dental Services is recognized on the Inc 5000 list of America's Fastest Growing Companies. Inc., the daily resource for entrepreneurs, compiled the list of businesses according to percentage revenue growth from 2003 through 2006. The honorees were selected from over 7 million businesses with employees in the US. PDS' growth rate of 174.2% secured them a prominent spot on the list.

PDS specializes in every aspect of helping dental practices succeed, from site selection and marketing to human resources and information technology. The company's business model strives to enable dentists to focus 95% of their time on the treatment and care of patients, while PDS manages the multitude of administrative details that modern dentists must perform to be successful. From 2003 to 2006 over 87 affiliated offices opened increasing revenue from 64.8 million in 2003 to 177.8 million in 2006. The outlook for 2008 is more of the same, as development will continue in the current states, and expansion is planned for Colorado.

Pacific Dental Services is the leader in assisting dental practices for the western region of the United States. Since 1994, PDS has helped develop over 150 dental offices throughout California, Nevada, and Arizona. Today, PDS has more than 2,000 employees and affiliations with over 350 dentists. Each of our employees and affiliated dentists are vital to creating the Greatest Dental Company in America!
