Pacific Dental Services Ranks #49 **Among the Fastest Growing OC-based Private Companies**

*~ Dental Practice Services Company, Pacific Dental Services (PDS), Ranks 49
on the Fastest Growing OC-based Private Companies ~*

Irvine, CA (September 25, 2007) – **Pacific Dental Services** ranks #49 on the list of the Top 100 Fastest Growing Private Companies based in Orange County with a two year revenue growth of 80%. **Orange County Business Journal**, a publication offering news and information on Orange County's companies, industries and business people, will release its Top 100 Fastest Growing Private Companies based in Orange County on October 1st.

Pacific Dental Services specializes in every aspect of helping dental practices succeed, from site selection and marketing to human resources and information technology. The company's business model strives to enable dentists to focus 95% of their time on the treatment and care of patients, while **PDS** manages the multitude of administrative details that modern dentists must perform to be successful. Since 1994, **PDS** has helped develop over **150 dental offices** throughout California, Nevada, and Arizona. Today, **PDS** has more than 2,000 employees and affiliations with over 350 dentists. The outlook for 2008 is more of the same, as development will continue in the current states, and expansion is planned for Colorado.

Pacific Dental Services is the leader in assisting dental practices for the western region of the United States (California, Arizona and Nevada). Each of our **employees and affiliated Dentists** are vital to creating the Greatest Dental Company in America! For more information, visit www.PacificDentalServices.com.
