Irvine, CA (September 9th, 2009) – Pacific Dental Services agreed to donate \$1 for every CAD/CAM Restoration done in the month of August to the non-profit organization charity: water. The goal was to raise \$10,000 to build two wells. Through the hard work of the affiliated offices and the generous donations amongst employees, PDS was able to raise \$11,800 provide clean water to 590 people for the next 20 years. "It was great to see everyone come together and get behind this incredible cause. Over 1.1 billion people around the world don't have access to clean drinking water." explained "We Serve" Manager Kyle Guerin.

The PDS mission statement ends with the words "We Serve." This desire to serve has been a part of the company mission and culture since its inception. Throughout the year, numerous opportunities are created for employees to serve their communities locally and globally in association with community agencies and charitable organizations.

charity: water is a non-profit bringing clean and safe drinking water to people in developing nations. They give 100% of the money raised to direct project costs, funding sustainable clean water solutions in areas of greatest need. For more information please visit www.charitywater.org
